CHAIRS

Topflight Executive High-Back Chair

Dimensions: 30.0"D x 28.0"W x 47.31"H

Model Number: HVL844

If you're looking to upgrade your office with a professional look, the HON executive high-back chair is the right sit for you. This chair features smooth, pliable SoFThread leather, tailored stitching and real wood accents so you can work with style, support and serenity.

Sadie Chairs Sadie Executive High-Back Chair | Upholstered Back

Dimensions: 27.4"D x 27.76"W x 48.43"H

Model Number: HVST330

The Sadie seating collection is where quality meets value. The 3-Thirty is the executive chair that speaks volumes about your sense of style, while delivering upscale comfort on a budget. The Black bonded leather on the seat and back is highlighted by an innovative quilted pattern that visually sets this executive chair apart from the competition. Easily adjust the height of the arms or the seat to fit the chair to your specific body type, and enjoy a smooth, supportive reclining position with the intuitive synchro-tilt control. 360-degree swivel and durable casters on the five-star base provide freedom of movement throughout the office, or even home office, putting you in total control of your work area.

Topflight Guest Chair

Dimensions: 22.0"D x 22.5"W x 31.0"H

Model Number: HVL852

You want your guests to be comfortable when they are sitting in your office. So do we. That's why we created the HON guest chair, aka the perfect seating companion for any executive office suite.

Topflight Guest Chair

Dimensions: 23.75"D x 23.38"W x 36.38"H

Model Number: HVL853

Give your office guests a comfortable seat with this guest chair. The natural hardwood frame is complemented by a plush SoFThread leather seat, offering high design, durability and strength – all for an affordable price.

Define Executive High-Back Chair with SoFThread Leather

Dimensions: 29.75"D x 29.75"W x 46.88"H

Model Number: HVL108

This HON executive high-back chair with synchro-tilt features functionality and comfort at an affordable price. The intuitive design allows users to easily adjust their comfort while creating a professional look.

Validate High-Back Executive Chair

Dimensions: 26.5"D x 25.0"W x 46.5"H

Model Number: HVL604

Your contemporary office needs an executive chair to complement the space. This high-back option is finished with SoFThread leather seat and back cushions and stylish tapered loop arms, for a modern look at an unbeatable price. With looks come comfort – an integral headrest and convenient center-tilt control provide support for whatever posture you take throughout the day.

HON Chairs Executive High-Back Chair

Dimensions: 28.0"D x 26.0"W x 43.25"H

Model Number: HVL402

Stylish design meets customized comfort with the HON high-back executive chair. Waterfall seat edges and dramatic arms create an upscale look, making this chair ideal for any private office.

HON Chairs Executive Chair

Dimensions: 27.5"D x 25.0"W x 45.75"H

Model Number: HVL105

With a modern, graceful silhouette and plenty of comfort adjustments, this HON executive chair makes a statement in any private office or collaborative space. An integrated headrest provides additional upper body support – especially when reclined. So you can sit back, relax and free your mind to come up with your company's next big idea.

CHAIRS

Prominent Mesh Task Chair

Dimensions: 26.0"D x 30.75"W x 44.5"H

Model Number: HVL532

HON Prominent seating is well-known for the high level of comfort delivered in its three high-back task chairs. The sleek, distinguished look is rivaled only by customizable comfort of the variety of advanced control features. Adjustable arms allow you to fit your chair to your specific needs, which makes this collection ideal for spaces from workstations to meeting areas.

- Deeply contoured seat and back and adjustable arms provide outstanding all-day support for task work
- Durable polyester seat upholstery with Nano-Tex soil and stain protection
- Back is breathable mesh for exceptional comfort
- Five-star base is molded from reinforced resin for increased durability
- Adaptable design for professional, administrative and technology functions as well as meeting spaces

Traction Executive Chair

Dimensions: 26.0"D x 30.75"W x 44.5"H

Model Number: HVL103

Gain control over your own comfort and give your guests a higher level of ergonomic support with HON Traction modern executive and guest seating. The coordinated collection combines padded seats arms for plush comfort, Chrome accents, and a choice of SoftThread leather colors to create more options for matching any existing aesthetic.

- A perfect solution for executive, professional, and conference workspaces
- Smooth, pliable SoftThread leather seating surfaces with tailored stitching detail
- Frame and five-star base are Polished Aluminum for maximum durability and easy cleaning
- Segmented, padded back design offers an upscale look for any executive office or conference environment
- Controls on this chair are easy to reach and simple to understand, featuring only 2 levers and front-access tilt tension
- Comfort adjustments include center-tilt with tension and upright lock
- Tilt tension controls the rate and ease of recline
- Upright tilt lock secures the chair in the full upright position
- 360-degree swivel provides freedom of movement in any direction

Exposure Mesh Task Chair

Dimensions: 26.75"D x 26.5"W x 42.5"H

Model Number: HVL721

The HON mesh back task chair offers enduring comfort and support at a price that won't break the bank. Its mesh back with adjustable lumbar support and arms helps you tackle all-day task work like a boss.

Prominent High-Back Task Chair | Synchro-Tilt Control with Seat Slide

Dimensions: 26.97"D x 26.57"W x 44.29"H

Model Number: HVL530

Outfit your lobby, cafeteria or other common area with this multi-purpose stacking chair. The tailored soft fabric seat with layered foam provides all-day comfort, and the double crossbar frame increases strength and durability so you can stack the chairs when not in use.

Sadie Mid-Back Task Chair

Dimensions: 24.41"D x 24.21"W x 38.27"H

Model Number: HVST102

The Sadie seating collection is where quality meets value. The 1-Oh-Two mid-back task chair features a breathable mesh back and durable sandwich mesh seat. It offers simple and intuitive controls such as pneumatic seat height adjustment, 360-degree swivel, tilt tension and tilt lock for added customizability and comfort. This chair also includes sculpted arms which provide forearm support. The comfort, stylish look, and price point of this chair make it a perfect addition to the office, whether at work or at home.

Volt Mesh Back Task Chair

Dimensions: 31.25"D x 26.0"W x 38.5"H

Model Number: H5713

Upscale style, full-scale comfort. You'll move through your day with ease thanks to this low-back chair's generous seat and back cushions that are contoured for comfort while you're hard at work. The synchro-tilt mechanism reclines the back more than the seat to ensure proper back alignment. Height-adjustable arms can be ordered separately if you wish to take your comfort up a notch.

Entire Mesh High-Back Task Chair

Dimensions: 28.38"D x 28.38"W x 43.13"H

Model Number: HVL541

Outfit your office with contemporary seating at an affordable price. This HON chair features adjustable-height arms, which allow you to rest your forearms while typing so you can tackle tasks with comfort and ease.

Volt Task Chair

Dimensions: 25.75"D x 26.0"W x 40.0"H

Model Number: H5703

Upscale style, full-scale comfort. You'll move through your day with ease thanks to this low-back chair's generous seat and back cushions that are contoured for comfort while you're hard at work. The synchro-tilt mechanism reclines the back more than the seat to ensure proper back alignment. Height-adjustable arms can be ordered separately if you wish to take your comfort up a notch.

CHAIRS

Sadie Task Chair

Dimensions: 27.17"D x 25.2"W x 37.8"H

Model Number: HVST402

The Sadie seating collection is where quality meets value. With a combination of comfort and affordability, the 4-Oh-Two is the perfect task chair for your home office, but also feels right at home in any corporate office environment. The Black fabric padded seat and back cushions and fixed arms provide outstanding comfort and support, while the 360-degree swivel motion and durable casters allow you to move anywhere in your workspace.

Sadie Mid-Back Task Chair

Dimensions: 24.41"D x 24.21"W x 38.27"H

Model Number: HVST101

The Sadie seating collection is where quality meets value. The 1-Oh-One mid-back task chair features a breathable mesh back and durable sandwich mesh on the seat. It also offers simple and intuitive controls such as pneumatic seat height adjustment and 360-degree swivel for added customizability and comfort. The comfort, stylish look, and price point of this chair make it a perfect addition to the office, whether at work or at home.

Traction Modern Guest Chair

Dimensions: 27.2"D x 20.0"W x 39.4"H

Model Number: HVL102

Gain control over your own comfort and give your guests a higher level of ergonomic support with HON Traction seating. This modern guest chair features a Polished Aluminum cantilever frame with padded arms and a segmented seat and back. The arms and seat are padded for extra comfort. Traction puts you on the right track for your workstation and open area seating.

Scatter Stacking Guest Chair

Dimensions: 21.0"D x 21.25"W x 32.75"H

Model Number: HVL606

Meet our most versatile and inexpensive guest seating option. This stacking guest chair has the same look and feel you expect from HON. No frills. Same comfort. That's HON.

HON Chairs Sled Base Chair

Dimensions: 22.5"D x 22.75"W x 31.0"H

Model Number: HVL653

You want your guests to be comfortable, engaged and happy when they are sitting in your office, but you don't want to spend an excessive amount of money on seating. That's why we created the HON sled base guest chair – the perfect seating companion for any business seeking high performance on a limited budget.

Prominent Mesh Back Task Chair

Dimensions: 27.0"D x 27.0"W x 42.5"H

Model Number: HVL531

We believe a great chair shouldn't cost you an arm and a leg. Enter the HON mesh back task chair, where quality meets value. The tuxedo styling and customizable control options enhance the look and feel of any executive or collaborative area and increase productivity during prolonged periods of work.

Dimensions: 23.0"D x 23.0"W x 39.5"H

Model Number: HVL205

The HON seating collection is where quality meets value. This HVL205 task chair features a breathable mesh back for all-day comfort. The contemporary aesthetic is accompanied by a comfortable ride, created by the thickly cushioned seat with waterfall edge design to enhance circulation. It features center-tilt with lock and tension control for customizable comfort. This task chair offers the comfort and style of mesh at an attainable price.

Instigate Mesh Back Stacking Multi-Purpose Chair

Dimensions: 24.0"D x 22.25"W x 35.75"H

Model Number: HVL508

Some spaces require seating that is both versatile and mobile. The stackable design of this mesh back multi-purpose chair makes it suitable for any active, common space. When stacked, the chair's seat cover disperses pressure to prevent imprints. No frills. Same comfort. That's HON.

Dimensions: 23.75"D x 23.75"W x 33.5"H

Model Number: HVL303

Some spaces require seating that is both versatile and mobile. The folding design of this nesting chair makes it suitable for any collaborative space. When it's not in use, the chair's arms and legs fold and nest to 7.5" to maximize floor space. No frills. Same comfort. That's HON.

Purpose Chair

Dimensions: 24.0"D x 22.25"W x 35.75"H

Model Number: HVL518

Outfit your lobby, cafeteria or other common area with this multi-purpose stacking chair. The tailored soft fabric seat with layered foam provides all-day comfort, and the double crossbar frame increases strength and durability so you can stack the chairs when not in use.
