WELCOME TO THE FUTURE
OF THE MODERN & FUNCTIONAL OFFICE SPACE

Configure our benching system to suit your needs, then expand as your office space grows.

Why MDC-UM?

MDC-UM provides the best quality and design with the quickest delivery in the industry and has always been in the forefront of Modern Office Furniture Design. We now manufacture our exclusive Benching System thereby providing a new era in Flexible Modular Workspaces.

Benching System

Our Benching System creates stylish collaborative workspaces with an open sense of freedom allowing interaction among team players and avoiding tight enclosed spaces while maximizing a total ergonomic workspace experience.

CAD Services

MDC-UM offers in-house CAD Design Services. Our team will work with you to come up with the most efficient and economical layout to suit your needs at no extra cost to you.

Electrical

MDC-UM electrical options keep you connected using the highest quality cabling and accessories. Our custom tailored electrical and data solutions provide maximum value. Optionally, the modular BYRNE™ shielded system guarantees simple, data-safe electrical installations.

Compatibility

Our Benching System is compatible with our Kass Modular Panel System, allowing complete ability to add or reconfigure your workspace as your needs grow.

Caricom Certified

The system is Caricom Certified for Duty Free shipment in the region.

Warranty

MDC-UM offers a Lifetime Structural Warranty on our system.
